READ—

Letter No. 452, dated 7/13th March 1903, from the President, District Fund Board, Hassan, submitting the District Fund budget estimates of the Hassan Local Fund Circle for 1903-04, together with a copy of the District Fund Board's proceedings dated 28th February 1903.

No. 16240-52—L. F. 7-03, DATED BANGALORE, 19TH MAY 1903.

ORDER THEREON.—The Board estimate the income for 1903-04 under all heads at Rs. 69,960 against Rs. 66,509, the actuals of 1901-02, and Rs. 71,061, the sanctioned estimate for 1902-03.

2. *I. 76 per cent of Local Cess.*—The increased estimate under this head is based on the jamabandi figures for 1901-02 and the arrears expected to remain at the beginning of the year. The estimate will stand.

3. *Opening Balance.*—The estimate under this head will be raised from Rs. 20,045 to Rs. 23,646, which is the correct closing balance as per revised budget for 1902-03.

EXPENDITURE.

4. *A. Public Works.*—The marginally noted new items and increases appear under "I. Original" and "II. Repairs" in the present budget. The provision made for the additional three miles of the Hanbal-Devarunda road owing to the approaching completion of the second section of the road and the increase of Rs. 6 for the Hassan-Periapatna road is passed; but the increased rate of mileage allotment for the 9½ miles of "Saklespur-Arehalli-Chikanhalli road" (as per new nomenclature) and the provision of Rs. 3,000 for rebuilding a bridge of 6 vents on the Frazerpet-Ramanathpur road, for which a project is said to be under preparation will be struck out, owing to insufficiency of funds. It is observed that the Board in para 6 of their proceedings of 28th February 1903, agreed to the Executive Engineer's proposal and resolved to provide Rs. 2,500 for the special repairs to the Arsikere-Hassan road and Rs. 500 as special grant to the Public Works Department to set in order the side and check drains across the three miles of the road beyond the Salagame in view to make over the same for annual maintenance by Public Works Department, but no separate provisions exist for these items in the detailed statement of repairs. These items, the necessity for the latter of which is not apparent and requires further explanation, are probably intended to be met from the Reserve grant of Rs. 4,000 which will be reduced to Rs. 1,000, the balance, *viz.*, Rs. 3,000 being entered for the works referred to. Owing to the reduction of provision for works the estimate for establishments and tools will be reduced proportionately.

	Rs.
New Items.	
I. Original—Rebuilding a bridge of 6 vents in Frazerpet-Ramnathpur road.	3,000
Increases.	
II. Repairs—(1) Repairing Saklespur-Arehalli-Chikanhalli road, 9½ miles at Rs. 75 per mile instead of Rs 50 sanctioned for 1902-03.	238
(2) Ditto Hanbal-Devarunda road, 3 at Rs. 100 each.	300
(3) Ditto Hassan-Periyapatna-Cannanore road Rs. 1,823 for 37 miles at Rs. 50 exclusive of 11/20 mile in municipality instead of 1817, sanctioned for 1902-03.	6

5. *B. Public Works.*—The provisions made for the marginally noted works are sanctioned, as also the provisions made for supervision charges and tools. It is however observed that the detailed statements under "II. Repairs" have not been entered in the prescribed form which should invariably be adopted in future, and the details of cart-tracks proposed to be improved at a cost of Rs. 800 should be furnished.

		Rs.
I. Original—		
Musafirkhanas	...	1,600
Sinking wells	...	1,200
Incomplete works	...	600
Cattle-pounds	...	1,500
Reserve for minor works	...	300
Total	...	5,200
II. Repairs—		
Special improvements to cart-tracks		800
Maintenance of musafirkhanas	...	800
Repairs to wells and reservoirs	...	200
Incomplete works	...	600
Total	...	2,400

6. *II. Medical Scholarships.*—The diminished provision under this head will be retained, pending the receipt from the Senior Surgeon of a statement showing the number and cost of scholarships payable to the students under-going training for the grade of Hospital Assistants, the cost of books to be supplied and school fees etc.

7. *III. Hospitals and Dispensaries.*—The net increase under this head is due to the gross increase of Rs. 256 on account of the marginally noted two items and to the decrease of Rs. 164 under bedding, clothing and furniture. The first item represents the annual increments earned by some of the compounders under Proceedings No. 13250-1—Mis. 1962, dated 18th June 1896 and is allowed but the others will be disallowed and the provision reduced, pending the receipt of a separate reference on the subject from the Senior Surgeon and the issue of final orders of Government thereon.

	Rs.
1 Increase of pay to the compounders of female dispensary, Hassan, Arsikere, Hanbal and Banavar dispensaries.	88
2 Malnad allowance to the compounders of Saklespur, Belur, Alur, Yeslur, Arehalli and Hanbal dispensaries.	168

8. *IV. Midwives.*—The pay of one of the midwives on Rs. 15 per mensem is proposed to be raised to Rs. 20 per mensem though the necessity therefor has not been explained. The omission should be supplied. Pending information the pay of all the midwives will be shown at the uniform rate of Rs. 15, the increase now drawn by those employed in the malnad and semi-malnad taluks being shown as allowance under Government Proceedings No. 2273-84—L. F. 55-93, dated 3rd August 1902.

8. *V. Sweepers for 3rd Class Travellers' Bungalows and Musafirkhanas.*—The provision of Rs. 24 sanctioned for 1902-03 on account of the watchman of the Inspection Lodge at Gorur, which is now reported to be a channel Inspection Lodge maintained from Irrigation Cess Fund has been omitted in the present budget and in lieu thereof the pay of the watchman of the Inspection Lodge at Hanbal and of the sweeper attached to the musafirkhana at Javagal reported to be nearing completion is entered newly. This provision is retained, subject to the submission of explanation as to how the Inspection Lodge at Hanbal is used and was hitherto maintained, and why it should now be transferred for maintenance from District Funds.

10. The other items call for no remarks.
